CAL-1769

History - CAL-1769-1 is an engraved view by James Ruthie (after a daguerreotype of J.M.Ford of 1854), and shows the first (black arrow) and second locations (right cor.) of Wells Fargo and Co. The company was at second location from 1854-1856. CAL-1769-2 and 1769-3 are 1856 and 1865 photographs. CAL-1769-4 shows the Express Bldg. in the 1880's, after removal (over)

of iron balconies. Burned 1906.

Description - 4-story brick, stucco and stone with round-headed, strip corniced, doors and windows (1854 view errs in making them seem pointed). Cast iron balconies - Pseudo-machicolations over 1st and 4th stories.

References - History Room, Wells Fargo Bank, S.F.

Author of Card - Joseph A. Baird, Jr., Ph.D. Architect.
Historian, San Francisco, California.
